

土日祝ダイヤ

鳴門線(バイパス経由)下り

2024.2.1改正

Table with 18 columns (station numbers) and 90 rows (station names). It lists train departure times for various stations along the Nami Line (Bypass Route) on weekends and holidays. The stations include Tokushima Station, Tokushima University, and various local stops like Takamori and Awa. The table uses a color-coded system where yellow highlights specific departure times and grey indicates no service.
